

① Welche Brüche sind dargestellt? Schreibe deine Lösung in die Kästchen auf der nächsten Seite.

Reihe 1:

Reihe 2:

Reihe 3:

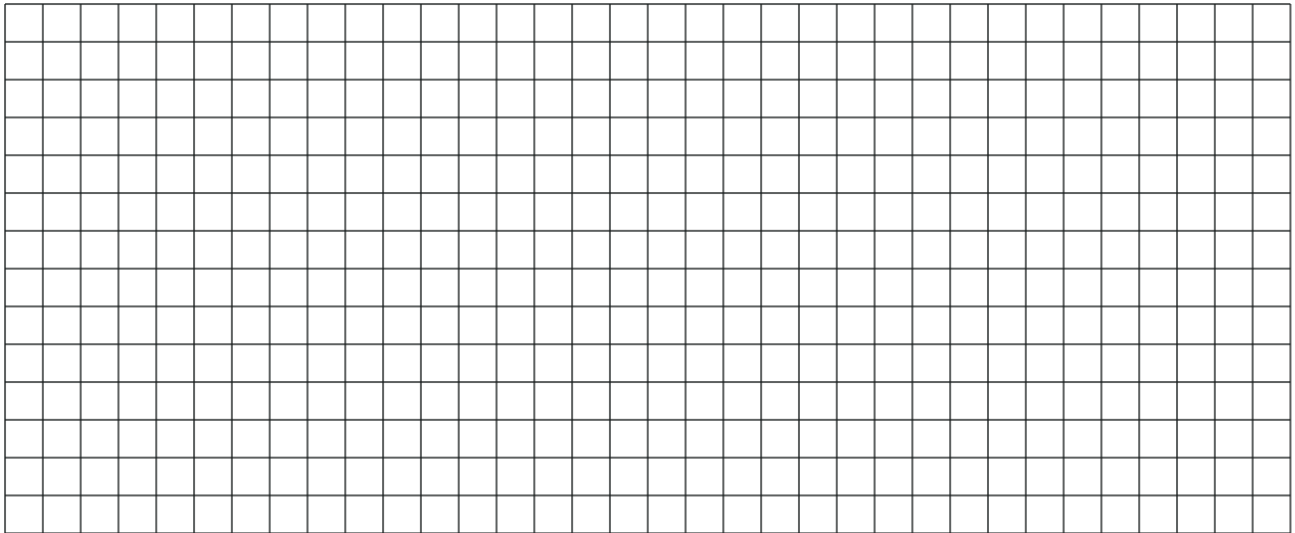

Reihe 4:

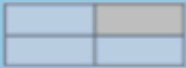

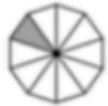

Reihe 5:

② Verbinde gleiche Anteile miteinander. Am Ende erhältst du ein Lösungswort!

|                                                                                        |                |                                                                                                |
|----------------------------------------------------------------------------------------|----------------|------------------------------------------------------------------------------------------------|
| 1.   | $\frac{1}{3}$  |  <b>K</b>  |
| 2.  | $\frac{1}{4}$  |  <b>D</b> |
| 3.  | $\frac{1}{5}$  |  <b>K</b>  |
| 4.  | $\frac{1}{10}$ |  <b>A</b> |
| 5.  | $\frac{1}{8}$  |  <b>U</b>  |
| 6.  | $\frac{1}{2}$  |  <b>A</b> |

Nenne das Lösungswort

|                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |
