A photograph showing a white spiral-bound notebook lying flat on a dark wooden surface. Two crumpled pieces of white paper are placed on top of the notebook; one is on the left side and the other is towards the top center. A silver-colored ballpoint pen lies horizontally across the middle of the notebook's pages. The lighting creates soft shadows, highlighting the textures of the paper and wood.

This image shows a full page of white paper with horizontal grey ruling lines. The lines are evenly spaced and extend across the width of the page, providing a template for writing or drawing. There are no margins, text, or other markings present.
