

# AB: Rhythmuswaage

Musik

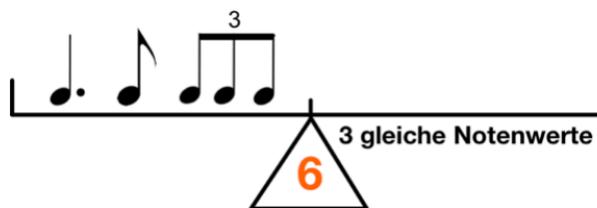

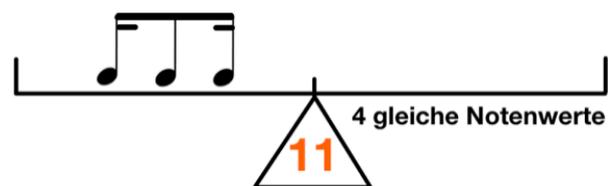

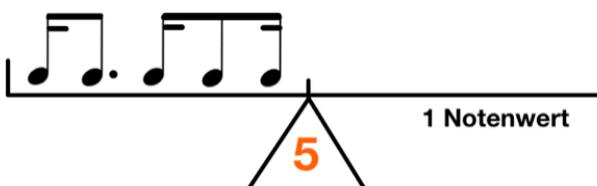

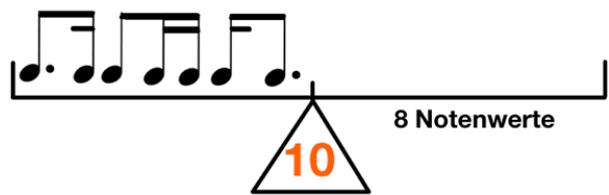

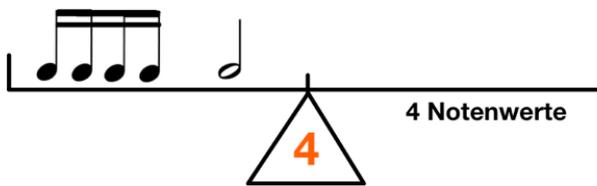

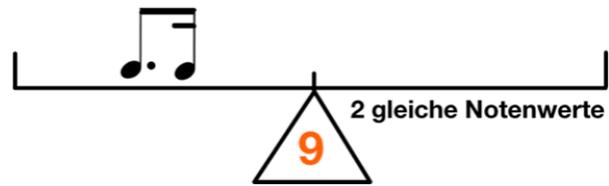

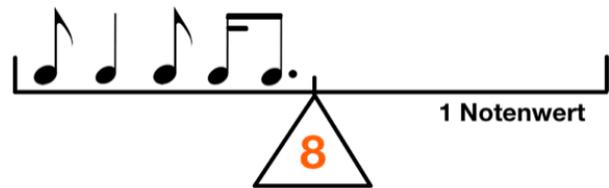

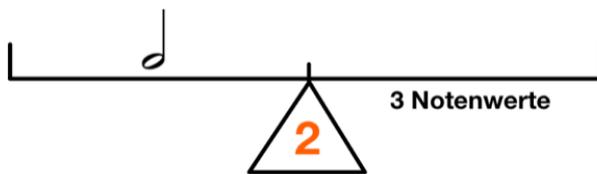

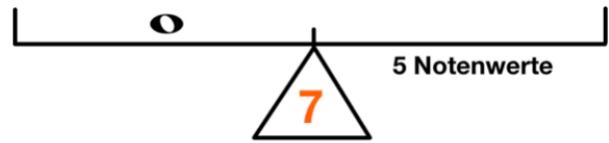

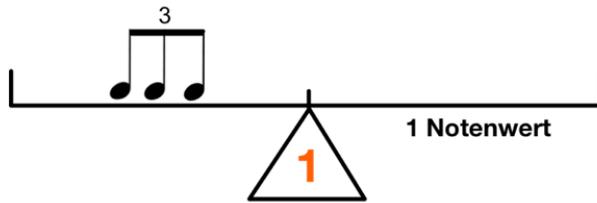

- ① Bringe die Rhythmuswaagen ins **Gleichgewicht**.  
Beachte dabei die angegebenen Bedingungen unter der Waage (*sind z.B. 4 Notenwerte gefordert oder 4 gleiche Notenwerte?*).

**Beispiel 1):** Links stehen insgesamt 3 Viertel, rechts muss also eine punktierte Halbe stehen.

Musik

💡 „Der Punkt hinter einer Note verlängert diese um die Hälfte ihres Wertes.“  
(Beispiel: punktierte Viertelnote = Achtel + Achtel + Achtel)
