Act it out!

① Read the text. Find three friends and act out the dialogues.

Lisa: Hey, you all! Have you ever helped somebody?
Anna: Yes, I did! And I felt very good!
Henry : I have not helped somebody before. I do not like to help.
Miles: What? Never?? I mean, not even your mother?
Lisa: But I meant have you ever helped somebody that you do not know.
Anna: Okay, well. No. I have not helped a stranger before.
Miles: I did. There was this homeless person walking past the restaurant we were sitting. And he was asking the cook for food. I gave him my leftover pizza.
Henry : Wow. How was that?
Lisa: Yes, how did you feel?
Anna: Sounds like a really good thing.
Miles: I felt great. And it was so simple.
Lisa: I want to be more active in helping others.
Anna: What could we do?
Henry : Maybe we do not have to do a lot. Just be open to help others.
Miles: Yes. That is the way. We have to take care of each other.
Lisa: Let's try to do that!
Anna: I will! Cool!
Henry : I am in!
