Tom: Hey, you all! Have you heard about our food waste problem?

Tom: Mum! I feel terrible today!

Mother: Oh no, Tom. What hurts you?

Tom: My ears hurt a lot and my head aches.

Milly: Mum, I also do not feel well. My throat is sore and it hurts when I swallow.

Mother: Okay, you two. Then we go and see Dr.Jet. She will help you.

Dr. Jet: Hello you all. How can I help you? You two do not look so good.

Milly: Tom and I do not feel good. My throat hurts and his ears.

Tom: And my head hurts a lot, too.

Dr. Jet: When did your throat start to hurt, Milly?

Milly: I am not sure. It started yesterday, I think.

Mother: We were on the water with our boat yesterday. It was very windy.

Tom: My ears also started to hurt yesterday.

Dr. Jet: Well then, there you go. You two have caught a cold. Always remember to wear a hat and to put something on when on the water. The wind is too cold.

Mother: We will remember that.

Dr. Jet: I have written a receipt for you with some syrup and ear drops. Make sure to rest and drink a lot of warm tea. Get well, soon!

Tom: Thank you, Dr.Jet.

Milly: Thanks for helping us. Goodbye.
