-
- A blank sheet of graph paper with a grid pattern. The grid consists of small squares formed by thin black lines. There are 20 columns and 15 rows of squares. The entire sheet is covered by this grid, with no margins or other markings.

- The diagram illustrates the construction of binary numbers using boxes and digit cards. Each box is divided into three sections: a left section for a digit card, a middle section for the number, and a right section for another digit card. The numbers shown are 10_2 , 110_2 , 1000_2 , 11_2 , 1100_2 , and 10011_2 . The digit cards are represented by gray rectangles.
