Hello, I am Lucy

'Hello, nice to meet you! I am Lucy and I am eleven years old. My family comes from England. We live in a house next to my grandparents. The city we live in is called Leeds.

My little sister is very little. Her name is Sue.

I love her!

My two older brothers like to play football. They play football when it is sunny or rainy.

When me and my cousins are together, we have a lot of fun.

Everyone in our family likes animals. We have a dog and a cat. My dog is old but my cat is young. Do you have pets ?
