- ③ You are in London with your friends. You would like to go to the National Park. How do you get there and how long does it take to get there?
Give the answers in German.

Dartmoor National Park is in Devon in south-west England. It is about 230 miles from London. It is best to travel there by train. The train from London Paddington to Plymouth leaves every hour and takes about 3,5 hours.

- ④ You are at Purakern in Waldshut with some friends from England. Tell your friends about

- A) the store concept
- B) how to buy things at the store
- C) 5 things to buy at the store
