Is it true that yoga will awaken deeper energy, which is called kundalini?

J. Krishnamurti, 1979

- ① Outline the lecture of J. Krishnamurti.

- ② Yoga is said to origin in India many thousand years ago.

Research the origins of Yoga further and write your information down in form of a mind map.

- ③ Some yogis say that yoga started as a form of protest against the exploitation of animals and our earth.

Write down how we currently exploit our planet.

- ④ Yoga heals our body as well as our mind - could it also help us to save our planet?
What do you think?
Write a short argumentative essay.
