

How we celebrated Diwali

Hi, I'm Priya. Last year I **visited** my grandparents for Diwali. We **didn't watch** TV because we **wanted** to spend time together. I **didn't play** video games either. We **didn't go** outside until the evening. We **ate** sweets and **decorated** the house with lights and candles. And of course we **didn't forget** to wish our neighbors a Happy Diwali!
