forest

---

---

advice

---

---

## ④ Read the excerpt and find the correct forms of the words in brackets.

Chimpanzees are Jane Goodall's  (truth) love. She always  (to fight) for the right of apes and wanted  (power) alternatives to animal experiments.

When she  (to go) to Africa in the 1960s, she  (to become) a  (love) expert on the life of these animals. She  (to find) out that chimpanzees use tools to get food or work together in groups. Just like  (us - them - our)!
