Lösungen zu No. 4

It's Friday afternoon. **My family is packing** for the trip to London. **We are carrying** many things to the car. **My sister is helping** my mother in the kitchen. **She is making** a cake and **preparing** some sandwiches for the trip. **My father is standing** outside. **He is talking** to our neighbour.

It's time to leave. **My sisters are sitting** in the car. **They are writing** text messages to all their friends. **My parents are closing** the door and the windows. **Our neighbours are saying** goodbye to us. **My parents are looking** at the map.

Is + verb + ing	Are + verb + ing
my family is packing	we are carrying
my sister is helping	my sisters are sitting
she is making	they are writing
my father is standing	my parents are closing
she is preparing	the neighbours are saying
he is talking	my parents are looking
