Your pet

Hi there in Germany
we're from the English magazine "Fun for Kids" and want to find out about pets of German students.
Think of the pet you have or you want to have and write a short text about it. Please tell us:

- What pet do you have? / What pet do you want to have?
- What's the name of your pet?
- What does your pet look like?
- What does it eat or drink?
- What does your pet like to do? And what do you like to do with your pet?

Please give your texts to your English teacher who can send them to our magazine.
Thanks a lot for your help. Bye. 😊
